

Parent Guide

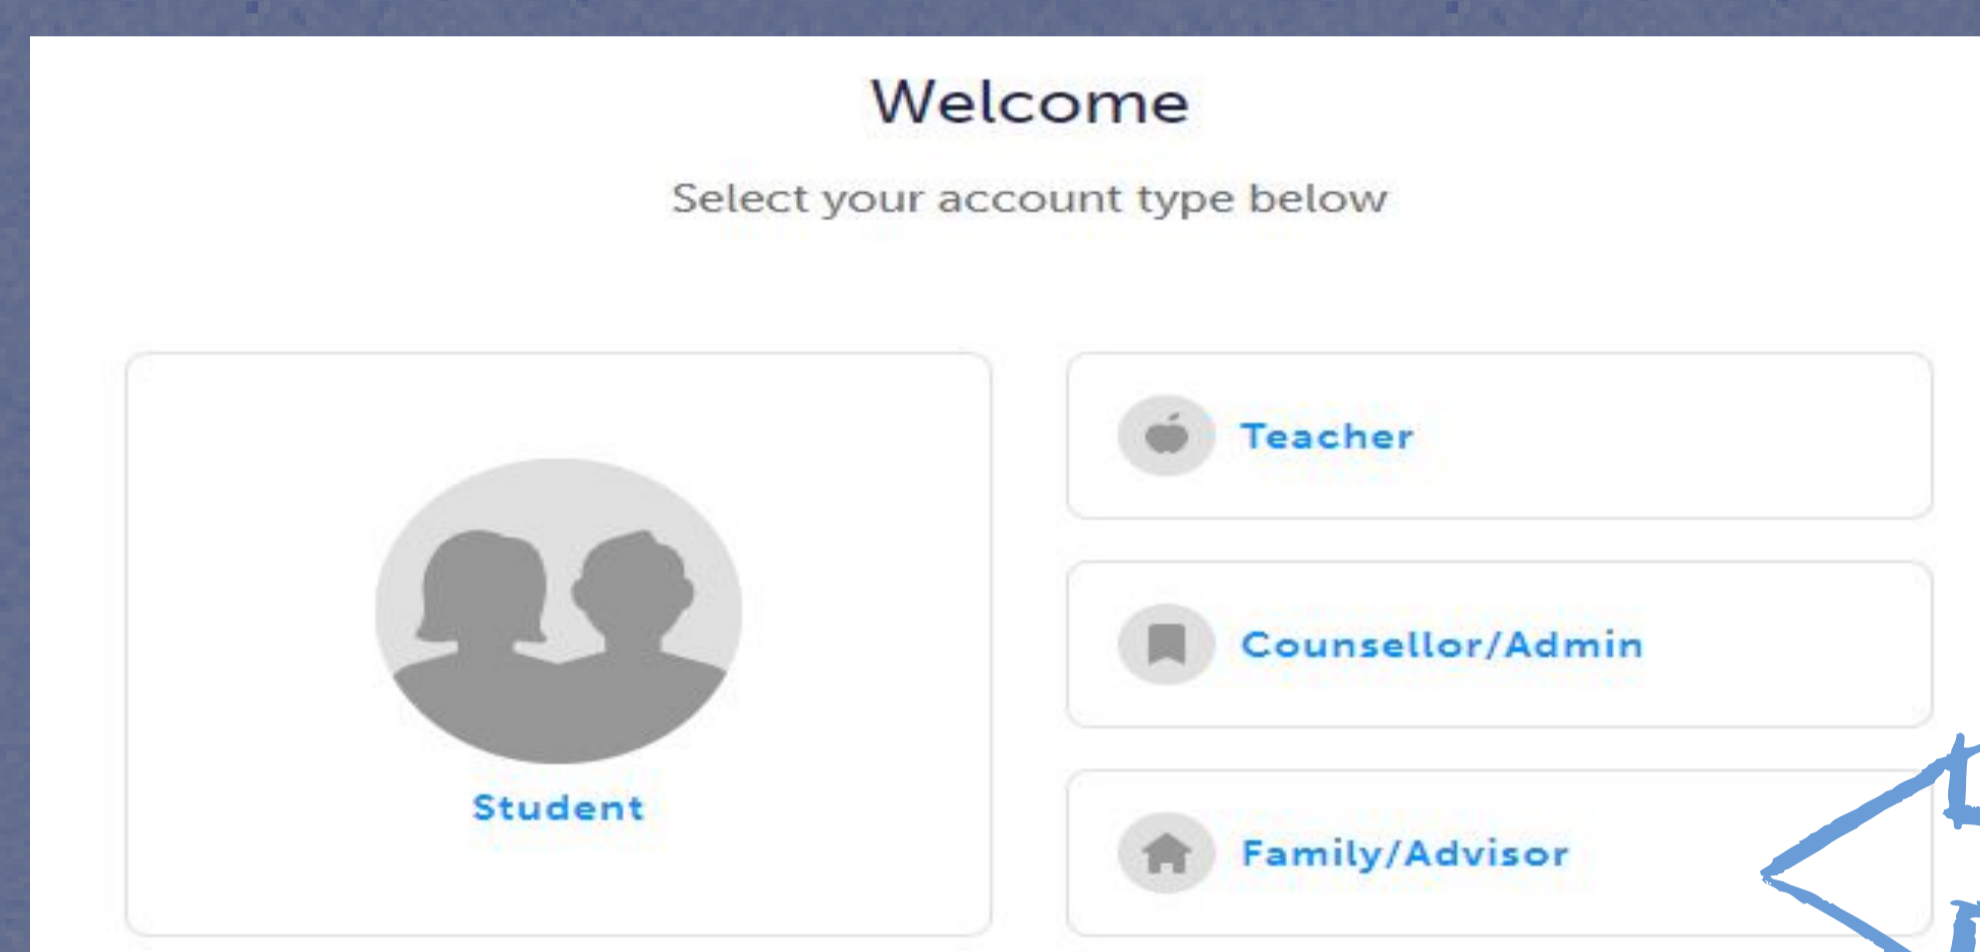

Getting Started

- Go to: www.myBlueprint.ca/limestone
- Click Sign up
- Choose your child's school
- Create Account

Link with your Child

- Choose Family/Advisor
- Click Grade 6-12
- Complete the Personal Info and Select Continue
- Complete the Account Info - use your own email and create a password.
- You can link your child's Limestone Email Account now, or complete later. Click Continue

Add your child/ children to the Account

- Click Get Started
- Click Add Student to add your child's email (username@limestone.on.ca).
You can add more than one student currently attending elementary (Gr. 7&8 only) and secondary school. Your child will receive an email via their Limestone account to approve your request

Exploring Student View

- From your Dashboard, click Student view to access demo student account and explore the features of myBlueprint
