

Bayridge Secondary School
School Council Meeting Minutes
18 October 2023

1) Welcome by Chair- Corrie Allingham

Ms Moore attended in Ms McDonald's absence.

2) No minutes for Sept as council just selected at that meeting.

3) Student Council Reps unable to attend but report attached.

4) Chair's report- nothing to report at this time.

5) Teacher's Report- Ms French

6) Principal's report- Ms Moore

Student Awards Night last week. Lots of awards- great event, well attended

Early reports have gone out in the mail for students of concern.

Parent Teacher Night – Oct 20 6-8pm. Use School Day app to make appts

Midterm reports will be sent home November 21 with students.

Oct 27- PA Day- work will be done around students in the margins- this could be sense of academic achievement or wellness and wellbeing

System wide day- Grades 7-12- Teachers, EA's, support staff etc

7) Parent Involvement Committee Meeting Summary- Melanie

Director Burra presentation 6-8pm.

8) Old Business

Food sharing petition if anyone is interested in signing- National School Food Budget
Mark Gerretsen will share any petition if minimum of 25 signatures and complete addresses.

School Council- we have not historically done much fundraising but if we are passionate about this we could look at doing some fundraising. Not enough food to support our school. Donation to Food Sharing Project doesn't come directly to our school- it is distributed by need.

Suggestion about Fundschrift fundraiser- gift cards. Interest in looking into this. Jenn will find out more and provide info at next meeting.

Send something out to feeder schools to make donation of any leftover food or funds for in house food sharing. More difficult for elementary schools to hand out food. Secondary schools already have processes in place.

Ms Fabilli presented about the Bayridge Musical last meeting. Fundraising requests are going out. Please share the request with friends and family especially any business owners you know.

9) New business

Progrant- Dec 10 deadline. Last year we didn't submit a request. Discussion about interest for this year. Movie screening in the past of Angst. Concerns around feelings of

safety with cyberbullying over last 2 years. Cyberbullying and wellness themes would be useful. Corrie is willing to work on the application indicating the topic but leaving the specific event details slightly vague at the moment. Discussion to continue at next meeting.

Budget- Stephanie not here to report

\$500 will be coming from Board as we submitted our annual report on time.

Next meeting:

Wednesday Nov 15 at 6:30pm
